

## Ode to Holiday Gluttony

Everyone says they want to lose weight.  
I say, "Hey, that's great!"

But, let's be realistic;  
That would just drive us ballistic!  
With no sugar or anything sweet,  
It's too much of a temptation to cheat.

So instead, I'll help anyone in need.  
This will be my good deed:  
With this chocolate, I'll bring cheer,  
And with that an enormous rear!
